

Renew

At ***Church of the Beloved***, we believe that God wants you to be refreshed and is pleased when you take time away to renew your soul and reconnect with those you love.

As you return from vacation or wind up your weekend, know that there is a child-friendly place where you can "come as you are," wearing the clothes of your afternoon activities, to give thanks to God who made all this summer joy and beauty possible. We hope to see you there!
